PANTHERS

STOCKBRIDGE HIGH SCHOOL
STOCKBRIDGE, MICHIGAN

Frank Radowski

In recognition of the knowledge, wisdom, and guidance which he has imparted to us in and out of the classroom, we, the Class of 1959, respectfully and gratefully dedicate our book to Mr. Radowski.

Mr. Radowski, who received his A.B. Degree from New Mexico A. and M., teaches social science.

The measure of greatness of an institution of learning is found in its ultimate product . . . The stature of the men and women it nurtures . . . and their contribution to the order, beauty, and sanity of their community. For this reason the Panther staff has chosen the theme, "Our School Provides."

School Board

Seems like all school districts have school boards to direct the people who direct the students . . . vicious circle . . . school boards really come across some enormous problems, and they spend many of their free hours in stuffy meeting rooms discussing them. They must keep an eye on their new building projects, then worry about how they are going to pay for them . . . many other problems fall on the shoulders of the school board . . . the budget, overcrowded school rooms, the budget, setting school standards, the budget, approving new teachers, and . . . the budget. Again I say . . . vicious circle. Not many people would like to take over the job of having all those problems and making decisions that may influence the lives of everyone within their school district. Here are the men who do this.

Girls' Glee Club

This year our Girls' Glee Club took part in many activities. They sang in three of our churches and participated in the Thanksgiving program. At Christmas they showed their talent by singing many carols at the Christmas concert. During the season the girls saw two outstanding plays, "Brigadoon" and "Little Abner." The final activity of the season was the annual variety show.

Junior High Chorus

The Junior High Chorus is a group of approximately 150 seventh and eighth graders who meet two or three times a week for singing. The chorus has made two public appearances in concerts at the high school, and one at the Elementary School. The group is directed by Mrs. Marian Ramsdell. The accompanist is Betty Beauchamp.

Boys' Chorus

Boys' Chorus, which is under the direction of Miss Stephens, made several appearances during the school year. They sang at the Thanksgiving assembly, Christmas Concert, and at the variety show.

Future Teachers

Future Teachers of America is an organization designed to introduce to students the precepts of teaching as a career. The group meets once a week. Projects for the year include a teaching day for students and several teas.

Library Club

Fourteen students served as student librarians this year. Each one was assigned a period each day to assist in the library. They signed books out and in, filed, and returned books to the shelves, among other duties. These students did a great deal to keep the library attractive and running smoothly.

Band

The high school band was active in the half-time activities of all home football games, the highlight being the homecoming game. Later in the season the band took part in the Christmas festival.

Many band members participated in the Solo and Ensemble contest in Mason. The band also went to the District Festival. The year ended with a spring concert.

The junior band serves as a training camp for members who become eligible for senior band. This year the junior band took part in the Christmas festival and spring concert. Several of their members took part in the district solo contest.

The Stockbridge High School Panthers became the Ingham County League champions for the second consecutive year. They finished with a 7-1 record to tie for first place with Haslett and Okemos. The only defeat that the Panthers took was a 20-6 loss to Haslett in the rain and mud. In pre-season predictions, the Panthers were rated as just being a league threat. When the season ended, however, the Panthers were on top of the heap. This was a result of team hustle and school spirit.

The boys received many individual honors this year. Gary Cornish and Matt Hensley were elected co-captains by their teammates. Cornish was also voted as the most valuable player, he was a member of the All-County team, and he was on the All-State second team. Matt Hensley and John Mason also were honored as members of the All-County team. Dave Sweet, Bill Donohue, and Bob Collins were on the All-County honorable mention list. Collins also led the team in scoring with 40 points.

Congratulations to Mr. Boyd, Mr. Collins, and the championship team of 1958.

The Stockbridge High School Panthers became the Ingham County League champions for the second successive year. The Panthers' league record was 10-2 and their season record was 12-5. In the league the Panthers lost only to Dansville and Williamston. Non-league losses were to Holt and Mason. In the District Tournaments the Panthers lost their fifth and final game to Jackson St. Johns in a sudden death overtime 47-45.

Stockbridge dominated the All-County squad by placing four members on it. John Mason and Pat Long were picked for the first team and Gary Cornish and Bob Collins received honorable mention. John Mason and Pat Long became the team's top scorers with 14 and 15 point averages, respectively. The two boys were also elected as the team's most valuable players. Mason received the honor of being selected for honorable mention of the state which is quite an honor. Bob Collins was elected as the Panthers' Honorary Captain.

The Cheerleaders led the school on to good sportsmanship and school spirit throughout the year. The coach, team, cheerleaders, and the student body are to be commended for a successful basketball season.

The 1958 baseball team didn't quite live up to its championship efforts that it displayed in 1957. The Panthers only put forth a record of 2-4 in the league. Out of these four losses, three of them were lost by one run.

Returning for the 1959 season were Pat Long, Bob Collins, John Mason, and Don McArther. All of these players were voted as members of the All-County team of 1958.

Don McArther was elected most valuable player by his teammates in 1958. Bob Collins received the honor of being honorary captain of the team.

TRACK—COACHED BY BOB BOYD

The 1958 track team improved greatly throughout the year. They won four out of five meets and took a second in a triangular meet. They also finished third in the Ingham County League meet.

Outstanding returning lettermen for 1959 were Gary Cornish, the high scorer and high hurdle record holder with the time of 15.9. John Mason, high jump record holder with 5' 6" as his best jump. Bob Hannewald, holds the pole vault record with a jump of 10' 3". Besides these school record holders there were 11 of last year's 18 lettermen returned for action in 1959.

Homecoming of 1958

DELORES HARDT, Stockbridge High School's Homecoming Queen of 1958, reigned over an active day in the fall of this past year. Festivities began at 7:30 P.M., when one of the largest crowds ever to attend a game, saw the Panthers turn back Okemos 19-6. Half-time activities included the presentation of the Queen and her Court and the announcing that the Sophomore Class had won the award for having the best float. Queen Delores reigned after the game at the annual homecoming dance, a gayly decorated affair, that was the ending of an eventful day in the lives of Stockbridge High School Students.
